## Introducing “GEM SRI LANKA” - A Celebration of gemstones!

Chinafort Gem & Jewellery Traders Association (CGJTA), the largest Gem & Jewellery related Association in Sri Lanka with over two thousand trade members from all around the country, proudly unveils its inaugural trade fair “ Gem Sri Lanka” from 11th - 13th January 2024 at the iconic Cinnamon Bentota Resorts. “Gem Sri Lanka” is a brand new concept mooted by the Chinafort Gem and Jewellery Traders Association, designed to encapsulate everyone from the trade and showcase it to the world as a true celebration of gemstones.

## Business with pleasure

Cinnamon Bentota is a five star plus luxury resort overlooking the Indian Ocean where the buyers can unwind and relax by the beach or choose to take up water sports by the popular bentota river at their convenience.

There will be close to seventy exhibitors participating and the venue is located just ten minutes away from the world famous pathé gem market in Beruwala.

Beruwala is also known for its beautiful sandy beaches and is a perfect two in one business plus pleasure getaway and a great way to start the year 2024.

What makes this gem show even more unique is that all the booth holders will be stationed within the hotel premises and on the second day, there will be a grand gala - the international delegates forum- from 19.00 -21.00 followed by a dinner party. Our aim is to discuss and exchange industry related opportunities with industry leaders and to gear our next generation to face up and prosper in the world of gemstones.

The CGJTA together with the National Gem & Jewellery Authority (NGJA) and the Export Development Authority (EDB) will bring you a show that encapsulates the thriving trade in precious stones.
